

May 24, 2016

Dear Third Grade Parents,

I hope that your child will look forward to reading this summer and take the opportunity to discover books they will truly enjoy.

Research shows that students need to read during the summer to maintain their independent reading levels. In the fall, the impact of students not having read during the summer may make it difficult for them to keep up with grade level reading expectations.

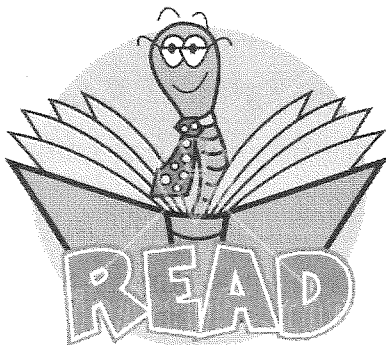

**In- coming third graders have been assigned a book to read this summer based on their particular reading level. A two-sided activity sheet is also to be completed as a written assignment after reading the book. Both the book and the reading assignment should be returned during the first week of school.**

With your support, we want to make this the summer that your child “falls in love with reading”.

I wish you and your family a wonderful summer!! Happy reading!!  
See you in the fall!!

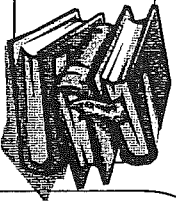

Sincerely,

Mrs. Stanisch
